

Local Autism Directory

For Southampton, Hampshire, Isle of Wight and Portsmouth

- ◆ The Local Autism Directory (LAD) is a free online directory.
- ◆ You can find the directory on the Autism Hampshire website. The web address is;
www.autismhampshire.org.uk/local-autism-directory/directory/
- ◆ The Local Autism Directory is the response to people's request for a one-stop-shop of local autism information.
- ◆ It is funded by Southampton, Hampshire, Isle of Wight and Portsmouth Councils, and 8 Clinical Commissioning Groups.
- ◆ It has information for adults, young people and children with autism, their families and professionals.
- ◆ It provides information about many local issues including support groups, activities, schools, employment, housing, local news, legal support, finances, diagnosis and much more.
- ◆ It has clear and simply written research articles from the Portsmouth University Autism Research Network.
- ◆ The Local Autism Directory is managed by Community Access - Autism Hampshire.
- ◆ Please take time to leave feedback after you use the LAD so that it can be improved by your ideas and recommendations.
- ◆ If you are from an organisation and would like to be included free of charge in the directory, please download and complete an entry request form from the online directory or telephone Community Access Autism Hampshire to request a form. Completed forms should be sent to;
